PROGRAM OBJECTIVES

Describe the process, implementation and results from the survey completed by Greenville Memorial Hospital Emergency Trauma Center healthcare professionals regarding their current knowledge of the involuntary process.

Introduce healthcare providers to the key players in the involuntary process, including physicians, probate court judges, and law enforcement personnel to expand the awareness of the comprehensive involuntary process.

Provide an informative and educational forum to healthcare providers about the commitment process.

Highlight research initiatives that have occurred and those in process throughout the GHS Department of Psychiatry.

LEARNING OBJECTIVES

Increase the ability of our attendees to discuss and put into practice current state guidelines regarding the involuntary commitment process.

Describe and communicate the criteria for when a patient is appropriate for involuntary commitment.

REGISTRATION/PROGRAM COST

There is no registration fee to attend the program; however, registration in advance is required since there are only 85 seats available. Please register early on the CME Website at www.university.ghs.org/cme/conferences/. If you have any questions regarding the program, please contact Robbie Shoenleben at (864) 455-4560 or rshoenleben@ghs.org or Amanda Gillespie at (864) 455-7808 or agillespie@ghs.org.

ACCREDITATION

AMA PRA Category 1 Credit™:

The Greenville Health System (GHS) designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Greenville Health System is accredited by the South Carolina Medical Association to provide continuing medical education for physicians.

Social Work Credit:

The Greenville Health System is accredited by the South Carolina Board of Social Work Examiners to provide 1.5 Social Work CEU.

SPECIAL THANKS

The Department of Psychiatry wishes to thank George Maynard III and the GHS Office of Philanthropy & Partnership for their generous contribution through providing lunch.

The Department of Psychiatry wishes to thank Ms. Lolita Sullivan and the GHS Print Shop for the printing of our program.

The Department of Psychiatry wishes to thank its staff for their support.
